Marianne GUITON

Director of Ecole Pratique de Service Social

The Paris Summer School of Social Work is the best program for study-abroad. It is excellent academically, and the combination of academic classroom time, field visits, and field placements provide the most comprehensive and well-rounded learning about social work in France. I am extremely satisfied and I believe my students are happy and satisfied as well. I look forward to bringing many more students in the future.

Professor Delavega – Associate Director of the Benjamin L. Hooks Institute for Social Change, University of Memphis, USA.
